

# A Gorgeous Mountain Retreat

**Lac Des Arcs residential lots in a lovely mountain/river setting. Three - 3/4 acre lots for sale on newly developed land bordered by the beautiful Bow River, spectacular views of the majestic Rocky Mountains and nestled in serene wooded settings. All lots have service connections available with a paved road – cul de sac. New owners are able to build custom designed homes and will require building permits, arrange for water wells, sewer system as stipulated and developer's approvals. Home building is anticipated to start in late spring 2006. These lots are a rare find and will not be on the market long.**
